<p>PERSONAL STATEMENT ESSAY</p>	<p><i>Your Personal Statement for college and scholarship applications should be exactly that — personal. It is your opportunity to tell admissions and scholarship evaluators about yourself — your hopes, ambitions, life experiences, inspirations, personal growth. Get a head start writing it this summer! Learn tips and advice for how to be open, reflective, finding your individual voice and expressing it honestly and effectively in writing. Especially recommended for rising seniors, but open to all high school levels.</i></p> <p>**NOTE: This is a 2-part workshop. Attendees must attend both days.**</p>
<p>FINANCIAL AID FOR COLLEGE</p>	<p><i>Money surely is hard to come by; especially for college students. That is why this workshop is geared toward those who need valuable information in financial aid and want a better understanding of the financial aid process.</i></p>
<p>JOB READINESS, RÉSUMÉ BUILDING & PROFESSIONALISM</p>	<p><i>This workshop will help you prepare for job interviews, create your resume and learn professional etiquette. When you sign up for this workshop, it will bring you a step closer to getting hired for that job.</i></p>
<p>ORGANIZATIONAL SKILLS & STRESS MANAGEMENT</p>	<p><i>It was said that “Failing to prepare is preparing to fail.” With that in mind, this workshop helps you to be more organized, prepare better as a student and more importantly, how to better handle stress.</i></p>
<p>TIPS FOR STUDENT ATHLETES</p>	<p><i>Every student-athlete dreams of becoming the next sports star. However, the road it takes to get there is long and hard. This workshop will expose you to the real world of student-athletes and the grind of becoming a professional athlete.</i></p>
<p>PACT AMBASSADORS</p>	<p><i>Our world today needs leaders and PACT believes that their first steps are the most important. This workshop will help mold you into a leader by sharpening your skills, building character and learning the importance of being a leader.</i></p>
